Why choose the Cavalier and Chevette Club?

The Cavalier and Chevette Club is the Club for you if you are interested in Vauxhall Cavaliers (whether they are Mk 1, 2 or 3), Chevetttes, Manta, Ascona, Calibra, Kadett or other General Motors variant between 1975 and 1995. We are a very friendly Club who appreciate the Vehicles the Club was created for, whether they are in their original form or whether they have been modified in any way. We believe in individuality and that we are here for the cars we love. We take pride in the cars no matter what condition they may be in and we will accept it on any Club stand at most shows, we believe that the car should speak for itself. No longer will you have to attend a car show on your own. We are founder Members of the Vauxhall Bedford Opel Association and are part of the Federation of British Historic Vehicle Clubs.

You do not need to own a Club Vehicle to be a member.

How much will you have to pay?
